Bridging
the gap

A trusted partner for over two decades

Ambridge was established over 20 years ago when its founders partnered to create a company dedicated to underwriting unique risks: a company that's truly responsive to client needs and that delivers on its promises.

Our work ethic and well-earned reputation for due diligence means we are more than just an underwriter to our clients. We are a trusted partner.

The Ambridge logo features the word "ambridge" in a white, lowercase, sans-serif font. Above the letters "i" and "d" are two thin, curved lines that arch over the text, resembling a bridge or a stylized smile. A registered trademark symbol (®) is located at the end of the word.
